Hi All,

Looking for a response/update regarding the below and attached. There are relevant laws, why aren't they being applied?

Further, regarding a ceasefire, why is PM Trudeau consistently putting the onus on Israel? Why hasn't PM Trudeau said that Hamas should release all hostages and surrender? PM Trudeau is mentioning Palestinian lives at risk regarding the 'cost of justice', this risk could be mitigated by Hamas releasing all hostages and surrendering. Further, Hamas put the Palestinian lives at risk themselves by using civilian infrastructure like schools and hospitals as their war bases. Also, what about the Israeli lives that are at risk because of this war that was instigated by Hamas? When will PM Trudeau recognize the accountability of Hamas in this war???

Thank you,

Randi

Hi M. Bredeson,

Thank you for the acknowledgement and forwarding my initial email located below. In addition to my initial email below, just thought I'd attach applicable Canadian laws evidencing that Hamas flags and their associated hate symbols should be banned in Canada as well as there should be negative consequences (such as a monetary fine) implemented for removing the hostage posters.

Thank you,

Randi

Comments/Commentaires : Hi Prime Minister Trudeau,

I'm extremely concerned that these rallies with Hamas flags keep taking place. My main concern is that at these rallies some participants are waving Hamas flags, a known terrorist group in Canada – this should not be allowed. Imagine if KKK flags were being flown or flags with Swastikas, they would likely be shut down very quickly, these rallies with Hamas

flags should be shut down and not allowed to proceed. They are pushing boundaries to see how far they can get and since they are getting away with it so far they will push farther.

Terrorist flags and terrorist speech should not be allowed and should be shut down. Why is this continuing to be allowed, it does not make sense. There is a difference between hate speech and free speech. The fact that the rally at Nathan Phillips Square on Oct 9 was allowed to take place is abhorrent.

The excuses given were 'people have a right to gather' as well as 'breaking up the rally might cause more harm than good'. These excuses are unacceptable. People gathering for hate speech flying terrorist flags should not be allowed. If I gathered with a group to plan to kill someone would that be allowed or would I be arrested for plotting murder? Hamas has it in their charter to kill off Jews, they are plotting and rallying for murder – these types of rallies have to get shut down immediately.

Further, not shutting down a rally due to it may cause more harm than good is an unacceptable excuse. Our country should have the resources to be able to stop something like this or organize to be able to get resources from other parts of Canada. Just because it's difficult does not mean it shouldn't be done.

Please let me know what will be done to shut down these rallies that are promoting hate and terrorism.

Thank you,

Randi
